## EN

## MAINTENANCE

This product is made of printed reflective glass. When cleaning do not spray directly onto the surface with water/cleaning detergents but always on a soft cloth first. Do not use excessive force to clean the glass since this can scratch the surface.

## DE

## PFLEGE

Dieses Produkt besteht aus bedrucktem reflektierendem Glas. Sprühen Sie beim Reinigen nicht direkt mit Wasser/Reinigungsmittel auf die Oberfläche, sondern immer zuerst auf ein weiches Tuch. Bitte reinigen Sie das Glas sehr vorsichtig, um die Oberfläche nicht zu zerkratzen.

## ES

## MANTENIMIENTO

Este producto está hecho de vidrio reflectante impreso. Al limpiar, no rocíe la superficie directamente con agua o detergentes de limpieza, pero siempre aplique estos líquidos primero a un paño suave. No frote el vidrio con demasiada fuerza con este paño, ya que puede rayar la superficie.

## DA

## VEDLIGEHOLDELSE

Dette produkt er lavet af printet reflekterende glas. Ved rengøring sprøjt ikke direkte på overfladen med vand / rengøringsmidler, men altid først på en blød klud. Brug ikke for meget kraft til at rengøre glasset, da dette kan ridse overfladen.

## FR

## ENTRETIEN

Ce produit est fait de verre réfléchissant imprimé. Lors du nettoyage, ne vaporisez pas directement la surface d'eau / ou de détergents de nettoyage, mais appliquez toujours ces liquides sur un chiffon doux d'abord. Ne frottez pas trop fort le verre avec ce chiffon car cela pourrait rayer la surface.

## IT

## MANUNTENZIONE

Questo prodotto è realizzato in vetro stampato riflettente. Per pulirlo non spruzzare acqua o alcun detergente direttamente sulla superficie, ma usare un panno soffice. Non strofinare con eccessiva forza sul vetro in quanto la superficie potrebbe graffiarsi.
